

House of Ethics YT TALK#5 with Abiola MAKINWA on the IntegrityDLM shaping moral skills against corruption

Description

The IntegrityDLM shaping moral skills_House of Ethics YT Talk#5 Abiola MAKINWA
The IntegrityDLM – a groundbreaking and granted tool for shaping individual moral skills. Explaining the value-based process of shaping « moral reminders and ethical reference points » to fight corruption by prevention. An « inward looking journey on self-awareness » instead of a normative and prescriptive teaching method.

The graphic features a teal border and a white background. On the left, a video frame shows a woman with glasses and a green scarf. To the right, a video frame shows a woman with glasses and dark hair. Text in the center-right identifies the event as 'House of Ethics YT Talks #5' with Katja RAUSCH as the founder. Below the first video frame, text identifies the guest as Abiola MAKINWA, Principal Lecturer in Compliance and anti-Corruption at The Hague University of Applied Sciences, and mentions the 'IntegrityDLM program'. The House of Ethics logo is in the bottom left. A large, diagonal watermark 'Copyright House of Ethics' is overlaid across the bottom half of the graphic.
